CHURCH THEME 2024: LOOKING FORWARD PRESSING ON PHILIPPIANS 3 : 13 - 14

BY ASSOCIATE PASTOR LEE PENG

Joy is the visible evidence of God's presence with us. It is a quiet confidence that God is sovereign over every situation in our lives and He works all things for our good and His glory. Our circumstances may change for better or worse but God's love remains steadfast. He may allow us to go through hardships but we can be assured He will keep His hand upon us. Because of His unfailing faithfulness, we can rejoice in the Lord (Philippians 4:4) and praise Him at all times (Psalm 34:1).

REJOICE IN THE LORD

The Apostle Paul used the word 'joy' and 'rejoicing' sixteen times in the book of Philippians. The letter to the Philippians was written during his imprisonment in Rome. Despite his difficult circumstances, Paul continued to exude joy, hope and confidence in the Lord. Philippians is said to be the most joyful book in the Bible. Paul's example is a testimony that joy is possible in spite of pain and suffering. Joy is a choice.

The attitude with which we approach the new year can make a huge difference. Regardless of how the previous year has been, we want to begin 2024 by rejoicing in the Lord and allowing this posture to set the tone for the entire year. Challenges ahead might make joy seem impossible. The outcome might not be according to our hope and expectations. But with the Holy Spirit's help, we will choose to rejoice because we know we can trust God's heart even though we can't trace His hand.

LOOKING FORWARD

If we allow circumstances to dictate the level of our joy, we will have difficulty looking forward to the year ahead with faith. We cannot fully embrace what God has in store for us. God wants to take us higher, deeper and further in our faith and walk in Him. We can expect new and greater things ahead as He always has something more for us, individually and corporately as a church. He does not want us to remain status quo in our walk with Him but to keep pressing on like Paul who has this to say, "Not that I have already obtained all this, or have already arrived at my goal, but I press on to take hold of that for which Christ Jesus took hold of me" (Philippians 3:12).

Paul's benchmark for his spiritual progress was the goal Christ set forth for him, not what he had attained in comparison with others. Our achievements or the blessings of God upon our lives are not an accurate measure of our true spiritual state. Comparing ourselves with others who are not making much spiritual progress may lead to a false sense of security that we are on track spiritually. Divine dissatisfaction is essential for spiritual progress. Our goal is what God wants for us, not what we want. We do not want to cling on to the good we know and rob ourselves of God's best for our lives.

At the onset of the year, it is helpful for us to evaluate the state of our spiritual life. Paul's self-evaluation led to a resolve to

do this one thing: "Forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus" (Philippians 3:13-14).

Similarly, in order for us to take hold of what God has in store for us, we need to:

- Forget what lies behind – **Let go of the past**
- Strain forward to what lies ahead – **Live in the present**
- Press on toward the goal – **Look forward to the future glory**

LET GO OF THE PAST

To "forget what lies behind" does not suggest that we try to erase past mistakes and sins. It simply means that we refuse to allow the past to influence or deter us from living for the future. We cannot change the past, but we can learn from it.

Two aspects of the past that often hinder us from moving forward:

Past Mistakes and Pain

Holding on to the things we have done wrong or hurtful things that have been done to us can keep us from experiencing the grace of God. The past does not define our future. The blood of Jesus is more than sufficient to cover our sins and cleanse us from all unrighteousness. There is no pain so deep that God cannot heal. Nothing is beyond His ability to redeem or restore.

Past Successes and Accomplishments

Constant reminiscing of past seasons of flourishing and achievements can keep us from looking forward to the greater things God has in store for us. When we keep looking back to the glory of yesteryears, it hinders us from being fully engaged in the present. The truth is our future will be better than our past and present because there are things God has prepared for those who love him that no eye has seen, no ear has heard, and no mind has conceived (1 Corinthians 2:9).

We cannot let our past overshadow what God is doing right now. What things in the past do you need to let go in order to live in the present and strain forward to what lies ahead?

LIVE IN THE PRESENT

Straining forward to what lies ahead requires focus, discipline, tenacity and perseverance. Paul uses the analogy of a runner in a race to illustrate the motivation for doing so. A runner has only one goal i.e. to finish the race and win the prize. To keep up the pace and momentum, he cannot allow other pursuits to distract him from reaching his goal. Likewise, we are to be single-minded in the race marked out for us, seeking first the kingdom of God and His righteousness (Matthew 6:33) and

training ourselves to be godly (1 Timothy 4:7). What are you doing to train yourself for godliness?

While physical training is of some value, Paul emphasizes that godliness has value for all things, holding promise for both the present life and the life to come (1 Timothy 4:8).

LOOK FORWARD TO THE FUTURE GLORY

So, what is our ultimate goal in pressing on with such spiritual determination in the race? The goal, as Paul states, is the prize of the upward call of God in Christ Jesus. When we reach the goal, we will receive the prize, the reward! Unlike the runner in the race who receives a perishable crown as the prize, we will be rewarded with

an imperishable crown that will last forever (1 Corinthians 9:24-27). Our citizenship is in heaven (Philippians 3:20). If that is so, are you setting your mind on things above or on earthly things? (Colossians 3:2). Is all your striving forward and pressing on toward the goal leading to this end?

God has not meant for you to run alone. Your fellow Calvarites are your team members, running alongside you to finish the same race of faith and to join in the work of building up the church. As we run together to fulfill His vision for Calvary Church to be a fountain head church, may the strength of our unity and impact of our influence be a powerful voice for the glorious gospel in this land.

展望未来，继续前行

喜乐是神与我们同在的明显证据。以平静安稳的信心，相信神主宰我们生命的每一个境遇，他所做的都是为了我们的益处和他的荣耀。我们的境遇可能变好，也可能变坏，但神的爱始终坚定不移。他可能会让我们经历艰难困苦，但我们确信，他的手保守着我们。因着他的信实，我们可以在主里喜乐（腓立比书 4:4），并时常赞美祂（诗篇 34:1）。

在主里喜乐

使徒保罗在《腓立比书》中使用了16次“喜乐”和“欢欣”。这封写给腓立比人的信是保罗在罗马被监禁期间写的。尽管处境艰难，保罗仍然流露出对主的喜乐、盼望和信心。《腓立比书》被认为是圣经中最喜乐的一本书。保罗亲自见证了尽管经历痛苦和磨难，也可以喜乐。喜乐是一种选择。

以什么样的态度迎接新的一年将对我们产生巨大的影响。无论去年过得如何，我们都要以在主里喜乐作为 2024 年的开始，并以这种姿态作为全年的基调。未来的挑战可能会让喜乐显得不可能，结果或许也不符合我们的期望和标准。但在圣灵的帮助下，我们仍选择喜乐，因为我们知道，即使看不到神的手，我们仍能相信神的心意。

展望未来

如果我们让情势决定我们喜乐的程度，我们就很难满怀信心地展望未来的年。我们无法完全接受神为我们准备的一切。神希望我们在信仰中走得更高，更深，更远。我们可以期待新的和更大的事，因为他总是为我们个人和教会预备更多。他不希望我们在与他同行的道路上维持现状，而是要像保罗那样继续前进，他说：“这并不是说我得着了，已经完全了，而是竭力追求，好使我可以得着基督耶稣要我得着的。”（腓立比书 3:12）

保罗灵性进步的基准是基督为他设定的目标，而不是他与其他人相比所取得的成就。我们的成就或神对我们生命的祝福并不能准确地衡量我们真正的属灵状态。与其他灵性进步不大的人比较，可能会让我们产生一种虚假的安全感，以为自己在灵性上已经步入正轨。神圣的不满是我们灵性进步的必要条件。我们的目标是神对我们的要求，而不是我们自己的要求。不要紧紧抓着我们所知道的美好，而剥夺了神对我们生命的最佳安排。

在新的一年里开始之际，对我们的属灵生活进行评估是很有帮助的。保罗的自我评价促使他下定决心要做这样一件事：“

忘记背后，努力前面的事，向着目标竭力追求，为要得着神在基督耶稣里召我往上去得的奖赏。（腓立比书3:13-14）

同样，为了把握神为我们预备的一切，我们须要：

- 忘记背后——放下过去
- 努力前面的事——活在当下
- 向着目标竭力追求——展望未来的荣耀

放下过去

“忘记过去”并不意味着我们要抹去过去的错误和罪过。它只是意味着我们拒绝让过去影响或阻止我们为未来而活。我们无法改变过去，但我们可以从中吸取教训。

过去的两个方面常常阻碍我们前进：

过去的错误和痛苦

执着于自己做错的事或别人对我们所做的伤害，会让我们无法经历神的恩典。过去并不能决定我们的未来。耶稣的宝血足以遮盖我们的罪，洗净我们一切的不义。没有什么痛苦是神无法治愈的。没有什么是他无法救赎或恢复的。

过去的成功和成就

不断回忆过去的辉煌和成就，会让我们无法展望神为我们准备的更伟大的事。当我们不断回顾过去的辉煌，就会阻碍我们全身心地投入现在的生活。事实上，我们的未来会比我们的过去和现在更好，因为神为爱他的人所预备的，是眼睛未曾见过，耳朵未曾听过，人心也未曾想到的。（哥林多前书2:9）

我们不能让我们的过去掩盖神现在正在做的事情。为了活在当下并努力向前，你须要放下过去的哪些事情？

活在当下

努力前面的事需要专注、纪律、坚韧和毅力。保罗用赛跑者的比喻来说明这样做的动机。赛跑的人只有一个目标，就是完成比赛并赢得奖品。为了保持步伐和动力，他不能让其他追求分散他的注意力，影响他达到目标。同样，我们也要一心一意地奔跑那摆在我们面前的赛程，先求神的国和他的义（马太福音6:33），操练自己达到敬虔的地步（提摩太前书4:7）。你正在做什么来训练自己敬虔呢？

“因为操练身体，益处还少；保罗强调唯独操练敬虔，凡事有益，享有今生和来世的应许。”（提摩太前书4:8）

展望未来的荣耀

那么，我们在赛跑中以这种属灵的决心坚持下去的最终目标是什么呢？正如保罗所说，我们的目标是神在基督耶稣里从天上呼召我们去得的奖赏。当我们到达终点时，我们就会得到奖赏！与赛跑者所得到的奖赏，那终会坏的冠冕不同，我们得到的奖赏是永远不朽坏的冠冕（哥林多前书9:24-27）。我们是天上的公民（腓立比书3:20）。既然如此，你们思念的，是天上的事，还是地上的事呢？（歌罗西书3:2）。你朝前方所努力的和向着目标竭力追求的，都是为了这个目标吗？

神并不是要你独自奔跑。你的加略山同伴就是你的团队成员，他们与你并肩奔跑，完成同样的信心赛跑，参与建设教会的工作。当我们一起奔跑实现祂对加略山教会成为泉源教会的愿景时，愿我们合一的力量和我们的影响力在这片土地上为荣耀的福音发出强而有力的声音。

MENANTI, TERUSKAN MARA

Sukacita adalah bukti nyata kehadiran Tuhan bersama kita. Ia adalah keyakinan yang tenang bahawa Tuhan berdaulat atas setiap situasi kehidupan anda dan Dia mengerjakan segala-galanya untuk kebaikan kita dan kemuliaan-Nya. Situasi kita mungkin berubah menjadi lebih baik atau buruk tetapi kasih Tuhan tetap teguh. Dia mungkin mengizinkan kita melalui kesusahan tetapi kita boleh yakin bahawa Dia sentiasa memimpin kita. Disebabkan kesetiaan-Nya yang tidak pernah gagal, kita boleh bersukacita dalam Tuhan (Filipi 4:4) dan selalu memuji Dia (Mazmur 34:1).

BERSUKACITALAH DALAM TUHAN

Rasul Paulus menggunakan perkataan “sukacita” dan “bersukacita” enam belas kali dalam kitab Filipi. Surat kepada jemaat Filipi ditulis semasa beliau dipenjarakan di Roma. Meskipun berada dalam keadaan yang sulit, Paulus tetap penuh sukacita, pengharapan, dan yakin kepada Tuhan. Filipi dikatakan sebagai buku yang paling menyenangkan dalam Alkitab. Contoh Paulus adalah kesaksian bahawa sukacita mampu wujud walaupun dalam kesakitan dan penderitaan. Sukacita itu suatu pilihan.

Sikap kita mendekati tahun baru boleh membuat perbezaan yang besar. Tidak kira baik buruknya tahun yang lalu, kita

ingin memulakan 2024 dengan bersukacita dalam Tuhan dan membiarkan sikap ini menetapkan arah sepanjang tahun. Cabaran di masa hadapan mungkin menyebabkan sukacita agak mustahil. Tetapi dengan bantuan Roh Kudus, kita akan membuat pilihan untuk bersukacita kerana kita tahu kita boleh dipercayai hati-Nya walaupun tidak dapat mengesan tangan-Nya.

MEMANDANG KE HADAPAN

Jika kita membiarkan situasi menentukan tahap kegembiraan kita, kita akan menghadapi kesukaran untuk menantikan tahun depan dengan iman. Kita tidak dapat menerima dengan sepenuhnya apa yang Tuhan sediakan untuk kita. Tuhan ingin membawa kita lebih tinggi, lebih mendalam, dan lebih jauh dalam iman dan perjalanan kita didalam-Nya. Kita boleh mengharapakan perkara yang baru dan yang lebih hebat pada masa hadapan kerana Dia sentiasa menyediakan sesuatu yang lebih untuk kita, secara individu dan sebagai satu jemaat. Dia tidak mahu kita kekal status quo dalam perjalanan kita bersama-Nya tetapi mahu kita terus mara seperti Paulus yang berkata, “Bukan seolah-olah aku telah memperoleh hal ini atau telah sempurna, melainkan aku mengejanya, kalau-kalau aku dapat juga menangkapnya, karena aku pun telah ditangkap oleh Kristus Yesus” (Filipi 3:12).

Tanda aras Paulus untuk kemajuan rohaninya adalah matlamat yang ditetapkan Kristus untuknya, bukan pencapaiannya sendiri berbanding dengan orang lain. Pencapaian kita atau berkat Tuhan atas kehidupan kita bukanlah ukuran yang tepat keadaan rohani sebenar kita. Membandingkan diri kita dengan orang lain yang tidak berapa maju secara kerohanian mungkin menyebabkan kita salah anggap kita selamat di jalan yang betul secara rohani. Ketidakpuasan ilahi adalah wajib untuk kemajuan rohani. Matlamat kita adalah kehendak Tuhan untuk kita, bukan kehendak kita sendiri. Kita tidak ingin berpegang teguh pada hal-hal baik yang kita ketahui dan merampas hal-hal terbaik dari Tuhan bagi hidup kita.

Pada permulaan tahun, adalah berguna bagi kita menilai keadaan kehidupan rohani kita. Penilaian diri Paulus membawa kepada satu tekad melakukan satu-satunya perkara: "Aku melupakan apa yang telah di belakangku dan mengarahkan diri kepada apa yang di hadapanku, dan berlari-lari kepada tujuan untuk memperoleh hadiah, yaitu panggilan sorgawi dari Tuhan dalam Kristus Yesus" (Filipi 3:13-14).

Begitu juga, agar kita dapat mencapai segala yang Tuhan sediakan untuk kita, kita harus:

- Lupakan apa yang ada di belakang – **Lepaskan masa silam**
- Gigih menghadapi apa yang ada di hadapan – **Hidup pada masa kini**
- Terus mara ke arah matlamat – **Menantikan kemuliaan masa hadapan**

LEPASKAN MASA SILAM

"Lupakan apa yang ada di belakang" tidak bermaksud kita cuba memadamkan kesilapan atau dosa masa dahulu. Ia hanya bererti kita tidak membenarkan masa dahulu mempengaruhi atau menghalang kita daripada hidup untuk masa hadapan. Kita tidak boleh mengubah masa lalu, tetapi kita boleh belajar daripadanya.

Dua aspek masa silam yang sering menghalang kita terus maju:

Kesilapan dan Kesakitan Masa Silam

Berpegang pada kesilapan yang telah kita lakukan atau perkara yang menyakitkan hati kita boleh menghalang kita daripada menikmati kasih karunia Tuhan. Masa lalu tidak menentukan masa hadapan kita. Darah Yesus lebih dari mencukupi untuk menutupi dosa-dosa kita dan menyucikan kita dari segala ketidakbenaran. Tiada kesakitan yang begitu mendalam sehingga Tuhan tidak dapat menyembuhkan. Tiada yang melampaui kemampuan-Nya untuk menebus atau memulihkan.

Kejayaan dan Pencapaian Di Masa Lalu

Sentiasa mengingat kejayaan dan pencapaian musim lalu boleh menghalang kita daripada menantikan perkara lebih besar yang Tuhan sediakan bagi kita. Jika kita senantiasanya mengenang kemuliaan masa dahulu, kita terhalang daripada melibatkan diri sepenuhnya dalam masa kini. Hakikatnya, masa hadapan kita lebih baik berbanding masa dahulu dan

sekarang kerana Tuhan telah menyediakan untuk mereka yang mengasihi Dia, perkara yang tidak pernah dilihat oleh mata, dan tidak pernah didengar oleh telinga, dan yang tidak pernah timbul di dalam hati manusia (1 Korintus 2:9).

Kita tidak boleh membenarkan masa silam membayangi apa yang Tuhan lakukan sekarang. Perkara apakah pada masa lalu yang perlu anda lepaskan agar dapat hidup pada masa kini dan teruskan mara menuju apa yang akan datang?

HIDUP PADA MASA KINI

Terus mara menuju apa yang berada di hadapan memerlukan fokus, disiplin, ketabahan dan ketekunan. Paulus menggunakan analogi seorang peserta dalam pertandingan berlari untuk menggambarkan motivasi untuk berbuat demikian. Pelumba hanya ada satu matlamat, iaitu menamatkan perlumbaan dan memenangi pingat. Agar dapat mengekalkan kelajuan dan momentum, dia tidak boleh membenarkan perhatiannya dialih. Demikian juga, kita harus melibatkan diri kita dalam perlumbaan yang ditentukan untuk kita dengan sepenuh jiwa raga, mencari dahulu Kerajaan Tuhan dan kebenaran-Nya (Matius 6:33) dan melatih diri kita beribadah (1 Timotius 4:7). Apakah yang anda lakukan untuk melatih diri anda untuk kesalihan?

Walaupun latihan jasmani ada manfaat tertentu, Paulus menekankan bahawa kesalihan bermanfaat untuk segala-galanya, mengandungi janji untuk kehidupan sekarang biarpun kehidupan yang akan datang (1 Timotius 4:8).

NANTIKAN KEMULIAAN MASA HADAPAN

Jadi, apakah matlamat utama kita untuk terus mara dengan keazaman rohani sebegini dalam perlumbaan tersebut? Matlamat, seperti yang dinyatakan Paulus, adalah anugerah panggilan syurgawi Tuhan dalam Yesus Kristus. Apabila kita mencapai matlamat, kita akan menerima anugerah tersebut, ganjaran! Berbanding dengan pelari dalam perlumbaan yang menerima mahkota yang fana, kita dianugerahkan mahkota yang abadi (1 Korintus 9:24-27). Kewargaan kita di dalam syurga (Filipi 3:20). Jika demikian, adakah fikiran anda ditetapkan pada perkara di atas atau perkara duniawi? (Kolose 3:2). Adakah segala usaha anda untuk tetap mara mencapai matlamat membawa kepada matlamat ini?

Tuhan tidak bermaksud untuk anda berlari bersendirian. Sahabat keluarga Calvary merupakan ahli pasukan anda juga, berlari bersama anda untuk menamatkan perlumbaan iman yang sama dan untuk menyertai kerja membangunkan jemaat. Sambil kita bersama memenuhi visi-Nya untuk Gereja Calvary menjadi gereja mata air pancutan, semoga kekuatan kesatuan dan kesan pengaruh kita menjadi suara yang kuat untuk Injil yang mulia di negara ini.

MOTHER'S DAY: THE GIFT OF NURTURING

14 MAY 2023

Associate Pastor David Seah, "Mothers are the epitome of enduring love and constant nurture."

Shereen Wong, "We live in a very tough world, and we pray that our home be a safe sanctuary for our children – a place where they will always feel at home to come back to."

Leong Oi Wah, "... when parents put their children through our Sunday School, they will see a big difference ... children behave differently, and their character changed."

Venisri Jeyaraman, "I am grateful to God for Calvaryland and Calvary Church. When I was in school, I had a lot of support to do well, Calvaryland made sure I had a safe and comfortable environment to study."

FATHER'S DAY: WALK WORTHY 18 JUNE 2023

Interim Senior Pastor Sister Petrina Guneratnam, "Today we want to tell all of you men that we deeply appreciate you for being the godly man that keeps the kingdom of God, the house of God, and the church of God, strong together with all others."

Deacon Ngeow Zoo Gin, "Children learn a lot from observing the behaviour of their parents, living a consistent life of integrity is most important. Doing what the Bible teaches and doing what you teach."

Deacon Chow Sang Hoe, "We have to be careful about pride, it's not me, it's not us, it's God and it's also many others that work with our 'spiritual child' to journey through life... It's about depending on the Holy Spirit."

Deacon Jonathan Lim, "Dad has gone through a series of medical challenges and never once will he not exercise his faith to know God will see him through."

The Calvary Young Adults (CYA) recently went on a retreat from 29 June – 1 July 2023. Held at a resort in Kalumpang, Hulu Selangor, the retreat included various workshops, inspirational sessions, team-building activities, devotional sessions, and testimonies. Themed Next Destination, the retreat's aim was to encourage participants to contemplate their future destination in life and to live purposefully and intentionally.

Upon arrival at the Resort, the CYAs hit the ground running with Workshop 1 on Lifestyle in Light of Eternity. Conducted by Wong Horr Wai, this workshop provided insight into living a balanced and purposeful life.

During the night session, Pastor Michael Loon reminded the participants that life is short and choices made now have eternal significance. Sharing scripture on the importance of discipleship and reconciliation with God through Jesus, he emphasised, "Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me. (Luke 9:23 NIV)

Day Two commenced with small group devotions focused on understanding the truth of the Last Days and being prepared for the Last Day – our final day on earth. This provided an opportunity for the CYAs to reflect on their spiritual readiness.

Subsequently, Workshop 2 on Career in Light of Eternity, conducted by Chow Sang Hoe, and Workshop 3 on Relationships in Light of Eternity, led by Tam Kok Meng and Lee Bee Peng, took place. These workshops offered practical guidance on navigating career

choices and fostering healthy relationships knowing our identity in Christ.

Later in the day, a Scavenger Hunt scattered the CYAs throughout the resort, searching for items to construct a boat to ferry a rubber duck downstream. As it turned out, the winning entry was more a raft than a boat, marvellously simple in build and engineering. This team-building event demonstrated that teamwork makes the dream work, and revealed the CYAs' competitive spirit.

In the evening, Pastor David Seah encouraged the CYAs to offer their everyday lives to God as a sacrifice. He emphasised the importance of wise living, of making the most of every opportunity; as written in Ephesians 5:15-17 (NIV), "Be very careful, then, how you live—not as unwise but as wise, making the most of every opportunity, because the days are evil. Therefore do not be foolish, but understand what the Lord's will is."

After the session, the CYAs were given the opportunity to fellowship. Games were organised and there was even a mocktail bar (complete with bartenders!).

Day Three began with group devotions centred on living with the perspective of the end in mind. Participants were encouraged to evaluate their goals and determine if they were aligned with God's plan for their lives or driven by selfish desires. Drawing inspiration from 2 Peter 3, the CYAs were reminded to remain vigilant against worldly influences and to set goals according to God's purpose and not solely on personal aspirations. Hebrews 10:24-25 further served as a reminder to the CYAs to spur each other on, to love, and to do good works, emphasising the significance of gathering together as a community.

The retreat concluded with several young adults sharing testimonies of how God not only showed up and met their expectations of the retreat, but exceeded them! Three of the many are:

Alisa Chin, being the sole caretaker of her mother who was diagnosed with cancer, initially could not make it for the retreat as she had to care for her mother. She testified that the Lord's healing was upon her mother - miraculously bringing her cancer markers down significantly without chemotherapy, just in time before the retreat's registration deadline, thus being able to make it at the last hour.

Melissa Hong testified how God removed the layers of doubt she had about God's physical healing powers.

Andrew Tan shared that he was grateful to be given the opportunity to serve in a new area.

In addition to forging new friendships, experiencing physical and spiritual healing, being anointed with the gift of tongues, and encountering God afresh, the testimonies also told of the rest and peace that participants found in the Lord over the three days.

We are already looking forward to what God will continue to do in and through the lives of the 84 who attended this retreat. Their enthusiasm, active participation, and willingness to engage in the various activities made the event vibrant and memorable. The CYAs' openness, receptiveness, and the sense of unity and togetherness was very much evident throughout.

See you all at our next destination!

THE VISION GOES ON

BY SIU MAE

Sunday, 27 August 2023 marked a significant milestone for Calvary Church as we celebrated the 10th anniversary of the dedication of the Calvary Convention Centre (CCC). The journey to reach this milestone actually began more than two decades ago when God gave our late Senior Pastor Prince Guneratnam the vision for Calvary Church to be a fountainhead church.

The realisation of that vision began in 2003, with the purchase of the land that CCC now stands on, and the challenges that came with building a centre of this size were just as immense. Nevertheless, this celebration was indeed a testimony of God's faithfulness – He provided the finances and manpower through the church to bring this vision to fruition.

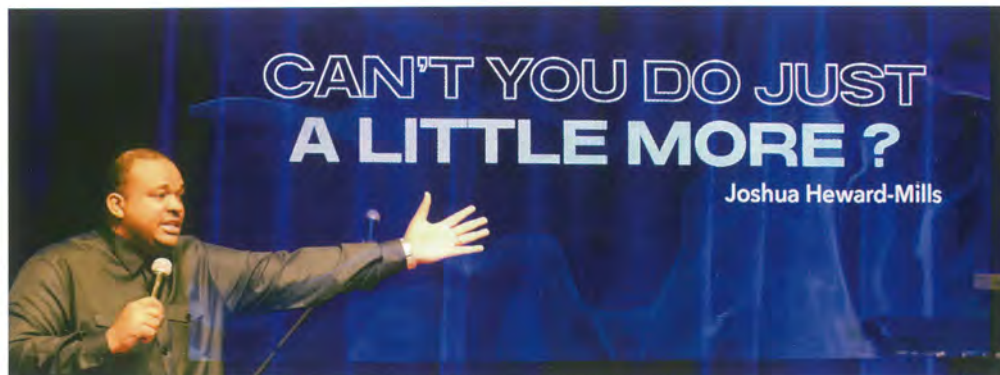

CCC is more than just a building. Its mission of "Impacting Nations and Transforming Lives" was evident in the short video presentation shown during the celebration showcasing the construction of CCC as well as how it has been used over the years. In the video, three young leaders of Calvary Church also shared their hopes and aspirations for CCC, and how it can be further used to fulfil God's plan for His kingdom and His people.

This 10th anniversary celebration was meaningful not just to Calvary Church, but also to guest speaker, Bishop Joshua Heward-Mills. Lead pastor of First Love Church in Accra, Ghana, Bishop Joshua attended the dedication of CCC 10 years ago with his father, Bishop Dag Heward-Mills, founder and presiding Bishop of the United Denominations Originating

from the Lighthouse Group of Churches (UD-OLGC). In his inspiring message, "Can't You Do Just a Little Bit More?", Bishop Joshua shared five critical reasons why the building of CCC is not the end and how it is possible for us to do more.

First, there is work yet undone – a beautiful and comfortable facility like the CCC is intended to reach many lost souls who have yet to experience God's grace and salvation. Secondly, every single believer has a role to play in fulfilling God's plan. Just as Luke recorded many unique parables not found in the other gospels, each believer has something that only he or she can contribute to God's kingdom. Illustrating his third point from Acts 3:1-8, which talks about Peter's ministry that led to a lame man walking again, Bishop Joshua reiterated that people are counting on us to enable them to experience God's touch in their lives. Fourthly, it is possible to do a little bit more because it is God who has called us. Listing out the great heroes of faith in the Bible, Bishop Joshua highlighted how God used ordinary, imperfect people to do many extraordinary things for His kingdom. Finally, he reminded us we must fulfil our ministry and life's purpose. Quoting from 2 Corinthians 4:1, "Therefore seeing we have this ministry, as we have received mercy, we faint not," it is evident that God's mercy and ministry go hand in hand.

Calvarite Mark Thomas, an engineer who was the project manager for the construction of the CCC, was invited to share how his involvement in the project and his interactions with the late Senior Pastor Prince Guneratnam had positively impacted his life and helped

him grow as a disciple of Christ. Mark highlighted five structural elements of the building that reflected late Senior Pastor's vision for the CCC.

The first was that CCC is built on a firm foundation, which parallels how a Christian's faith should be firmly rooted in God's word. Secondly, the main auditorium is constructed in such a way that there are no pillars in the middle, just as there should be no obstructions for anyone wishing to seek the Lord. Thirdly, the two mega trusses that hold up the ceiling of the auditorium are a reminder that we are under the covering of the Holy Spirit. The Prayer Tower located at the front of the building, with large windows overlooking the city illustrates the importance of prayer. Finally, Mark shared how our late Senior Pastor always prioritised continuous learning as the key to maturity, and this was the very reason for a large education block housing the various schools.

"What's next for CCC, going forward?" you may ask. The answer lies in the Faith Upon Faith special project to raise funds to further equip the CCC to fulfil its vision. In his presentation, Deacon Christopher Lim explained that at the time of the CCC's construction, some features were deferred due to the lack of sufficient funds. Faith Upon Faith would enable the CCC to be fully utilised.

Interim Senior Pastor Petrina Guneratnam was invited to pray for and encourage the congregation to make Faith Upon Faith pledges.

The deacons and pastoral staff then joined Sister Petrina in the cutting of an anniversary cake. The deacons also took the opportunity to unveil a special plaque honouring the late Senior Pastor, whose faith in God and visionary leadership were key to the building and realisation of the CCC. The service concluded with Bishop Joshua's closing prayer and the celebration continued in the plaza with cake and refreshment.

IN THE HEART OF TAMAN NEGARA

BY LAM KAH MENG

The 2023 Royal Rangers Annual Camp was held in the pristine wilderness of Kuala Tahan, Taman Negara, from 31 August – 2 September 2023. A total of 113 Rangers and commanders attended the event.

DAY 1: The camp began with an early departure from the Calvary Convention Centre at 7.45am. After a delightful lunch stop in Jerantut town, participants arrived at Kuala Tahan by 2pm. They quickly set up their tents and formed patrols, each tasked with creating a skit for the upcoming Council of Fire.

As the sun set, the Rangers engaged in a time of devotion, reflecting on their spiritual journey. Later, they embarked on a mesmerising night hike in the lush forests of Taman Negara, where they encountered snakes and other night creatures, marvelled at the stars, and witnessed the beauty of God's creation.

DAY 2: The day began with a devotion led by Council Chairman David Peter. The Rangers gathered for a hearty buffet breakfast at Mutiara Resort's restaurant, in preparation for an action-packed day.

After breakfast, the group embarked on an exciting boat ride to Lata Berkoh, where they swam and had a good fellowship. For lunch, the Rangers had a unique experience: they were given food rations and instructed to cook by the river, honing their cooking skills and teamwork.

In the evening, the campers competed in tele-match games. The day concluded with a delectable buffet

dinner followed by the much-anticipated Council of Fire, where each patrol presented their skits aligned with the camp's theme, "Empowered".

Pastor Michael Loon, our Youth Pastor, delivered a powerful and relatable message, inspiring all attendees to embrace the empowerment of the Holy Spirit in their lives.

DAY 3: On the final day, after a hearty buffet breakfast, the Rangers embarked on a canopy walk, experiencing the majesty of Taman Negara from a whole new perspective. Upon their return, they broke camp and prepared for the journey home.

Before leaving for Kuala Lumpur, the group enjoyed a delightful lunch at the floating restaurant at the Kuala Tahan jetty, savouring the last moments of their adventure.

This Royal Rangers Annual Camp was a success, with everyone returning home safely. The Rangers grew physically, mentally, spiritually and socially as they worked together in their respective patrols. The camp served to strengthen our relationship with God and to be 'Empowered' by His wisdom.

The participants left Taman Negara with a newfound sense of strength and purpose, ready to face the challenges of the world with unwavering faith, and a deep appreciation for the natural world. As Royal Rangers, we continue to uphold our mission of developing the next generation of Christlike leaders.

MISSIONS EMPHASIS JUNE 2023: AROUND THE WORLD IN EIGHTY STEPS

BY SIU MAE

The weekend of 8 - 9 July 2023 marked for Calvary's Mission Emphasis for the second half of 2023. As the congregation sat down to listen to the cheerful opening song by a choir dressed in various traditional costumes, it was clear this was not going to be a regular Sunday service. By the end of the morning, it was evident God had communicated a clear and urgent message to His church.

Entering the main foyer of the Calvary Convention Centre, churchgoers were greeted by several beautifully decorated booths representing ten different countries. Set up by the various ministries of the church, these booths were aimed at raising missions awareness.

From our neighbouring Philippines to earthquake-devastated Türkiye, the nations represented are those Calvary Church supports in missions work. Along with providing a list of the respective nation's critical prayer needs, creative Calvarites made use of traditional crafts and multimedia displays to bring the various countries to life in the foyer. Some booths even provided samples of local tidbits for extra flavour.

Meanwhile, in the main auditorium, a video recap of Calvary's missions work (made possible through Faith Promise giving) was presented after the praise and worship session. In his introduction, Associate Pastor Steven Kum, our Missions Director, quoted John Piper – "Missions exists because worship does not."

The video showed how, in a world where the Gospel's true message is often drowned out in the noise of misinformation and turned away by calloused, indifferent hearts, missions is still possible. From donating blood to meet the usual Ramadhan shortfall to providing humanitarian aid to earthquake victims, your missions giving has enabled a tangible as well as spiritual approach to sharing God's love.

After an a cappella presentation by the One Voice choir, Reverend Dominic Yeo, our guest speaker from Trinity Christian Centre, Singapore was welcomed on stage. A charismatic and energetic speaker with a heart for missions, Reverend Yeo holds several key leadership positions, including being the Secretary of the World Assemblies of God Fellowship and the General Superintendent of the Assemblies of God of Singapore.

In a compelling sermon that included heartwarming and humorous personal anecdotes, Reverend Yeo spoke from the

account of the feeding of the 5,000. He began by pointing out that this event was of such importance, it was recorded in all four gospels. This is because the crowd represented the world, and it is God's global agenda to touch the world. In order to do so, God needs the church, His agency.

Reverend Yeo stated that it is all too easy to make excuses to not be involved in missions, just as the disciples did back then – highlighting the impossibility and inconvenience of feeding such a large crowd. However, when God's agency responds positively, a miracle happens. He recounted frankly several firsthand experiences to illustrate this, tying them in with how Jesus used a mere five loaves of bread and two fish to feed the massive crowd. When we step out in faith, God will miraculously provide in areas where we lack – all we need to do is say "Yes!"

Reverend Yeo summed up by speaking on God's "anxiety". He mentioned how God is "anxious" because the time is coming soon when Jesus will return. The church is tasked with bringing the message of salvation to the world today. God expects us to go – whether it is through the giving of our time, skills, or finances. At the close of his sermon, Reverend Yeo prayed for the congregation to respond to God's call and to trust God to provide.

Before the end of the service, the congregation was given the opportunity to be God's agency by being a faith promise partner. The Faith Promise programme is not a fund-raising endeavour; it is an avenue for believers to grow their faith. A missions offering was also taken to assist victims of human trafficking in countries such as India, Russia, and Spain.

FAMILY DAY 2023: THE JOY OF BELONGING

BY JEFFREY SAW

On 28 September 2023, over 350 of us Calvarites gathered, each one accessorised with different coloured scarves. This glorious Thursday morning was very meaningful, as it was our inaugural Family Day at the Calvary Convention Centre (CCC).

Well before sunrise, more than 20 working committee members led by Associate Pastor Raymond Yong and organizing chairman Wong Yih Mun met at CCC to put on finishing touches, making sure the event would go without a hitch.

At precisely 7:45am, our ever-radiant Interim Senior Pastor Petrina Guneratnam warmly welcomed the assembled Calvarites and kicked off Family Day 2023 with a prayer of blessing. Ministerial staff, Darren Yong, then led everyone in praise and worship, followed by a vigorous warm-up session led by Young Adults Life Group Leader, Ivan Yun.

Thoroughly warmed up, the participants gathered into their respective teams – Blue, Green, Red, and Yellow – at the covered plaza, before crossing over on foot to the Bukit Jalil Park for the Walk 'n Snap contest.

A veritable army of young and young-at-heart Calvarites (there were a few prams and even a wheelchair) marched with gusto around the verdant park, with its scattered ponds, on a mission. Covering approximately 2.85km of undulating walking paths, the teams had to gather for team photographs at three pre-determined 'Instagram-able' checkpoints. The photos submitted were nothing short of creative masterpieces!

Our photo warriors returned to CCC and promptly proceeded to the Multipurpose Banquet Hall. The sight that greeted them was that of triangular flags

arrayed across the ceiling, chairs stacked high and as tall as a man, and floors demarcated into sections by masking tape. Competing teams separated into four zones to prepare for the contest, and what a contest it turned out to be!

Cheered on by teammates, Calvarites' highly competitive colours were on full display! It is worth noting however, despite how everyone was gunning for the win, the love of Christ was also very much evident as all participants were incredibly careful to be fair and kind to each other – this was Family Day after all. The eight-game contest proceeded with fun and frenzied clockwork, culminating in a Grand Telematch!

Upon the conclusion of the games, everyone assembled at the covered plaza for announcements and awarding of prizes. The Yellow Team, led ably (and aptly) by

Deacon Wong Horr Wai and his assistant Lam Kah Meng, with team Executive Pastor Jim Guneratnam came out on top!

What followed was a sumptuous lunch for all! All participants received a generous goodie bag of sponsored items like body care products, canned drinks, biscuits, pastry, and three vouchers.

The sight of Calvarites united together in fun and games reminded us of the reason for organising this event. Psalm 133:1 (NLT) says, "How good and pleasant it is when God's people live together in unity!" and it was evident to all that Family Day 2023 was a wonderful demonstration of Christian fellowship, as the event theme suggests "The Joy of Belonging" in this body of Christ, and a rousing success.

CHILDREN'S DAY 1 OCTOBER 2023

We thank God for the 335 children (including 30 new visitors) that came and for a collaboration of 98 teachers and helpers for bringing a memorable day of fun and joy to the kids!

MID AUTUMN FESTIVAL: OVER THE MOON 24 SEPTEMBER 2023

The Chinese language congregation joyously celebrated the Mid-Autumn Festival with the emphasis on reunion. Beyond being a traditional celebration, the event provided a unique opportunity to share the love of Jesus with more people through cultural observances and fellowship in the joy of the Lord.

A THREEFOLD CORD IS NOT EASILY BROKEN

BY CALVARY NEWS TEAM

Life Groups (LG) are a network of outreach points of Calvary Church vital to the growth and well-being of the congregation. Below are LG members experiencing a blessing when they participate in LGs where they "... encourage each other and build each other up...." (1 Thessalonians 5:11 NLT)

I remember the compassion of LG members when I first joined – they let me tapau (take home) all the food after our meeting and this saved me money. I really felt the love and compassion from my brothers and sisters in Christ at the time as I was at a very low point in my life not getting an anticipated job offer. Thank God for the support from the LG. - Sandra

Thank God that I was able to connect with a LG member and was introduced to an LG that was a fit. I really enjoyed the lessons with powerful content and felt the warmth and authenticity of the LG. The love the members have for one another was very evident. I could sense God's presence in the group as I listened to the various testimonies of answered prayers. Praise God, I decided to join the LG as a member. - Su Ann

Thank God for my LG members' prayers for Isaac. He was healed of his acid reflux condition and was blessed with 10As in his IGCSE examinations. Due to his very good results, Isaac's foundation course fees for his accountancy course will be waived. Praise God for His provision. - Chee Seng

I am encouraged by all the testimonies shared in our LG WhatsApp. I felt God speaking to me that He will heal me of my health challenges. After reading a testimony by another LG member, I prayed, "Heal me, Lord, I will be healed. I believe You in faith, I will be healed." My health challenges disappeared after that – I believed the power of healing is in Jesus and by faith, I was healed! - Jessica

Thank God for Leow and Felicia, who gave me vitamins for my eyes. My vision is now clearer. Thank God for caring LG members. - Foong Ling

I got a new phone and figured I wouldn't be able to join LG today. God sent Mandy to help me set up my phone and I was able to meet everyone on Zoom. - Chooi Ling

In the words of Henry Ford, "Coming together is a beginning; keeping together is progress; working together is success."

"The generous will prosper; those who refresh others will themselves be refreshed." (Proverbs 11:25 NLT) Here are how some LG members experienced this blessing -

Thank God for His hand upon our house – I was texting my LG members when I smelled something burning. I then discovered that my neighbour's main electric board was faulty and sparking. Praise God they had a fire extinguisher handy and we could put out the fire. - Carter

My daughter suddenly had a stomach ache on Wednesday morning. Praise the Lord, we managed to see the doctor before my LG meeting. When the LG meeting ended, my daughter was in pain again and was admitted to hospital. However, an ultrasound the next day reported everything was normal and she was discharged. When unexpected things happen, I still serve God, I pray, and turn all my worries to God. God is our Provider, I have peace, and I know God is with us. Hallelujah! - Lisa

I had not been well with headache and praying to the Lord to help me so I can lead the LG. Subsequently, the Lord led me to undergo traditional Chinese medicine treatment. Two days later, my headache went away and has not come back! - Linda

I was exhausted after a long day at work and wanted to skip the LG meeting. However, I decided to take a nap and still attended the meeting. I was very blessed and encouraged by the worship, the lesson, and the sharing of testimonies. I felt refreshed. - Geoh Sim

Calvary Church's LG Ministry caters to believers' spiritual life through opportunities for CARE:

- Communicate God's Word
- Act through prayer and ministry
- Relationships through fellowship
- Evangelism & discipleship

We encourage you to participate in one of the LGs. If you require assistance in looking for a Life Group (LG), please call 03-89995532 (or visit calvary.my/life-groups for the LG directory).

JUST A PRAYER AND HE GAVE ME BACK MY DAUGHTER, MY MARRIAGE, AND A LIFE OF HOPE.

BY CHERILYN THONG

In 2017, my five-year-old daughter was diagnosed with bronchial asthma, bronchitis, pneumonia, and tonsillitis. Words cannot describe how painful that was for me as her mother.

On top of getting up at night and running in and out of the hospital for her, I had another child to raise, work to juggle, and a degree to earn.

Tired, lethargic, anxious, quick tempered, angry, and miserable, I struggled to be a good mother.

When her condition worsened, her specialist referred her to a surgeon. I was troubled as she was too young for surgery. I finally turned to God for help.

I met other Calvarites through the church My Faith class. As I was desperate for my child's healing, they prayed for me and somehow, I was led to forgive the people in my life to make right with God. I repented and made the first move to submit to my husband, whom I was having a cold war with.

Being a strongly self-dependent person, I had to learn to surrender my battles to Jesus. I began to read the Word every day and prayed in authority, as Jesus did, whenever

my daughter suffered an attack.

Miraculously, Jesus healed my daughter without her having to undergo any surgery. She is now a healthy eleven-year-old!

My experience of God's gracious healing power compelled me to share God's goodness with others through praying. Surely, my faith grew as I saw Him move and set people free as I prayed. I kept putting into practice what I learn from prayer ministry at my workplace and at home.

One night, my mum was down with severe vomiting. Then, dad and her came together to exercise their faith and prayed in authority. The vomiting stopped! Both of them were overjoyed to see how God answered their prayer.

Recently, as I was praying with my husband, to my surprise, his heart finally opened to receive Jesus, the most precious gift of life!

God is so good beyond words. Praying for others brings so much joy to my heart. As no two prayers are the same, I look forward to learning something new in each prayer; partnering with Him in ministry, so that I can serve Him until the day He comes.

"AS I WAS DESPERATE FOR MY CHILD'S HEALING ... I WAS LED TO FORGIVE THE PEOPLE IN MY LIFE"

SUBMISSIVE SUBMERSION

"I NEVER EXPECTED (WATER BAPTISM) TO BE A TURNING POINT IN MY WALK WITH CHRIST."

BY JEFFREY TEOW

I always remember the gentle tap of Associate Pastor Peter Ong's hand on my shoulder 12 years ago during an altar call in evening service. He gently asked if I had taken water baptism and when I replied that I had not, he prayed that I would do so soon.

At the time, I did not consider water baptism a necessary step into Christianity. To me, having said the sinner's prayer, being saved, and accepted as a child of God was good enough. With my shallow understanding of scripture, water baptism just seemed an unnecessary ritual.

Perceiving that God was directing me to be baptised in water through Pastor Peter, I sought confirmation from the Bible. The scriptures I read were clear on the need for water baptism:

But Jesus said, "It should be done, for we must carry out all that God requires." So John agreed to baptise him. After his baptism, as Jesus came up out of the water, the heavens were opened and he saw the Spirit of God descending like a dove and settling on him. And a voice from heaven said, "This is my dearly loved Son, who brings me great joy." Matthew 3:15-17 (NLT)

Jesus replied, "I tell you the truth, unless you are born again, you cannot see the Kingdom of God."...Jesus replied, "I assure you, no one can enter the Kingdom of God without being born of water and the Spirit..." John 3:3 & 5 (NLT)

Guided by the Word, I signed up for water baptism in March 2012, together with my wife. Not expecting anything, we were merely obeying the Word as beloved children of God, just like Jesus.

I never expected it to be a turning point in my walk with Christ. Water baptism seemed to awaken the Spirit in me; I felt like a new creation! I felt the Holy Spirit moving me and inspiring me to spend time reading the Bible and to also pray.

On one occasion, my wife was suffering one of her usual periodic stomach aches. She lay in bed for almost the whole day hoping that the pain would subside on its own, but it did not. When evening came, a small voice said, "Pray for her in the name of Jesus", and I obeyed. As I wasn't good at "big prayers," I simply prayed, "Jesus, heal my wife of the stomach ache." Half an hour later, the pain was gone and not only could she stand up, she went into the kitchen to prepare dinner. Since then, she never experienced that type of pain any more – God had miraculously healed her, completely. Hallelujah!

The Holy Spirit also led me to join a Life Group (LG) near my house and to enrol for a short course in the Bible College of Malaysia. I was already 66 years old, an age many consider to be too old to learn, but with God, all things are possible. By God's grace, two years later, I was appointed as an LG leader. God truly has a plan for each one of His children.

When I took the step of faith in water baptism, I did not expect all these blessed developments – I just wanted to abide in Christ. I know that all this progress made in my spiritual life is not through any of my own efforts, but wholly Christ in me, for it is not by might, not by authority, but by the Spirit of God.
