The Heart of God (General)**16 April - 28 May ● 6 weeks**

Based on the book "Becoming the Gospel" by Michael Gorman, this series of study will explore the teachings of Paul to help us understand God's mission for His people. We will learn how God, through the work of Jesus and the empowering of the Spirit, is building a people into a community of Christlike faith (and faithfulness) and love to be bearers of hope to a world wrecked by sin. Discover how God is calling all people into a new way of life in which He is properly worshipped, people are appropriately loved, and the fear of wrath and death are defeated.

Making the Second Half of Your Life the Best of Your Life (General)**4 - 25 June ● 4 weeks**

In the first half of life we strive, work, compete, achieve, and accumulate. What's next in the second half? With the possibility of many more years ahead, what will you do with the rest of your life? Could the second half actually be more fulfilling than the first? Can aging be a blessing? The answer is a resounding yes! This is the best time to reflect, reawaken, reinvent and steer your life in God's direction for you. Discover God's best for you and make the rest of your life the best of your life!

A Biblical Perspective on Gambling (General)**16 April - 7 May ● 3 weeks**

Opinions on the propriety of gambling range from acceptance in moderation to total abstinence. There are those who believe that gambling as an innocent pastime is acceptable as long as it does not become controlling. The same goes for innocuous games of chance and get-rich-quick schemes to fund education or other needs. On the other side are those who argue that gambling on any level is morally wrong. This course seeks to explore the nature of gambling, the difference between investing and gambling and relevant biblical principles to help believers consider the appropriateness of their involvement in potentially grey areas.

Hebrews 1-6. . .The Pre-eminence of Christ (Level 2)**14 May - 25 June ● 7 weeks**

The first-century readers of Hebrews were at a critical point with fierce persecution causing many to abandon or waver in their commitment to Christ. Some were in danger of compromising and slipping back into the rites and rituals of Judaism. The letter of Hebrews came as an encouragement and appeal to the believers to persevere in their faith in Christ, who is greater than the angels, superior to the Old Testament priesthood of Aaron, and offers a better hope than the Mosaic law through His sinless sacrifice that provides an eternal inheritance for those who place their faith in Him.

The Man in the Mirror: Solving Our Integrity Problems (General - For Men Only)**18 April - 9 May ● 4 weeks**

When we think about dishonesty, we usually think of gross indiscretions: cheating on taxes, lying to a prospect, cheating on one's spouse. If we limit our thinking to major matters, we will miss the point of integrity because it is often the little things not visible to others that are a litmus test of our integrity. In this final segment of the Man in the Mirror Bible Study, best-selling author Patrick Morley challenges men to fill in the missing link - accountability, the component that enables believers to synchronize their behaviour with their beliefs and keeps them in check.

My Faith (General)**16 May - 20 June ● 6 weeks**

My Faith provides believers with an understanding of the "Statement of Fundamental Truths" that contains the tenets of faith that Calvary Church as an Assembly of God church adheres to. These fundamental doctrines provide the biblical basis for the practices and beliefs of our Christian faith which are essential building blocks to help you establish a firm foundation in Christ as well as strengthen your commitment to the Church and its mission to fulfil the Great Commission given by our Lord Jesus Christ. This course is a prerequisite for all seeking membership with Calvary Church.

Waiting on God (General)**25 April - 23 May ● 5 weeks**

Are you waiting for God to answer your prayers? Does time tick by without any hint that things will change? If so, you're not alone. In fact, you are facing a common faith-building challenge in the Christian life. God has wonderful plans for your life, and the way He most often prepares you for them is through times of directed, active, purposeful waiting. Find out how you can stay on track when the tunnel is getting dark, make the most of the "delays" and follow God's lead to the blessings He has planned for you.

A Call to True Worship (General)**30 May - 20 June ● 4 weeks**

The question is not "Are you a worshipper?" but rather "What kind of a worshipper are you?" Jesus says in John 4:23 that the kind of worshippers the Father seeks are those who worship Him in spirit and in truth. Worship is an affair of the heart, mind and spirit. The tendency is to fall into the trap of worshipping the worship. Seek to understand the 'how' and the 'whom' of worship. Learn to ascribe to God the "worth-ship" He deserves. Worship Him in the beauty of His holiness and lead others into the throne room of God!

Mandarin Class: Abraham's Journey of Faith**18 April - June 20 ● 10 weeks**

The life of Abraham illustrates the journey of faith. On the journey he experiences detours, disputes with relatives and neighbours, and discouragements in his attempts to have an heir. Through it all he grows in faith and is bestowed the title "friend of God." His journey can serve as a dynamic example for us.

Cantonese Class: Adequacy of God**18 April - June 20 ● 10 weeks**

A study of the attributes of God will help us realize His greatness and enable us to live a God-centered life amidst daily challenges. Recognising our privileges as a child of God gives us the confidence to look to Him in times of need. We certainly can rejoice in God's adequacy when we perceive His wonderful, sovereign work in the lives of believers.
