Divine Disruptions (General) (22 Oct - 26 Nov ● 6 weeks)

Disruption. Re-direction. Transformation. No one remains the same after encountering Jesus. This is clearly seen in the lives of those who were the first to come face to face with Jesus that first Christmas – Joseph, Mary, Herod and the Shepherds. Their initial reactions ranged from confusion to terror leading to decisions which resulted in joy or self-destruction. This study on the “Characters of Christmas” will inspire your faith. Encounter the Christ child anew. . .give room for divine interruptions. Come away with a change of worldview and let life take on a new meaning, purpose and hope.

Walk as Jesus Walked (General) (22 Oct-26 Nov ● 6 weeks)

This DVD study by noted teacher and historian Ray Vander Laan delves into the fierce passion of our early Christian brethren to walk like Jesus and make disciples - even when the path became treacherous. We will explore the world they went into and how they made a huge, indelible impact. Filmed on location in Aphrodisias, Antioch Pisidia, Lystra, and Cappadocia, these illuminating "faith lessons" coupled with their fascinating historical, cultural, religious, and geographical contexts, will afford a new understanding of the Bible that will ground your convictions and transform your life.

Nehemiah. . .Overcoming Fear and Discouragement (Level 2)

24 Oct - 28 Nov ● 6 weeks

Years have passed since the people of Judah returned to Jerusalem after the Babylonian exile. The temple has been rebuilt but the city walls were still in a state of ruins. Distressed by the desolate condition of the city, Nehemiah set out on a task not just to rebuild the walls of Jerusalem, but to rebuild God's people according to His Word. It was an uphill battle all the way. Any lesser leader would have crumbled. Find out how Nehemiah overcame fear, ridicule, discouragement and opposition in completing the daunting task.

Untangling Emotions Part 2 (General) (24 Oct - 14 Nov ● 4 weeks)

Fear. Anger. Grief. Guilt and shame. How do you engage the hardest emotions that tend to trouble and confuse us the most? We don't want to handle these difficult emotions by being controlled by them or ignoring them. We want to deal with them wisely in a healthy way that leads to growth in our relationship with God and others. This course seeks to help you think differently about your emotions, to steward your emotions to produce God-honouring results and ultimately to better love God with your mind, soul, and strength—emotions included.

The Power of God's Names (General) (21 & 28 Nov ● 2 weeks)

God knows you by name. Do you know Him by His names? When it comes to names, God is so amazing, so complex, vast and awesome, one name just can't describe Him. So much of our confusion and pain result from a lack of knowledge of who God really is, how He works in our lives. By studying the characteristics of God as revealed through His names, you'll find strength for times of trial, comfort for pain, provision for your soul's deepest needs. And your walk with God will be transformed when you learn to trust Him for who He is.

There's Hope for the Future (General) 24 Oct - 28 Nov ● 6 weeks

The future is not a comfortable topic for most of us. It's intimidating. Scary. Filled with projections of gloom and doom especially during this pandemic. But despite the uncertainties and instabilities in our world today, we can face the future with confidence – knowing God is in control. Dealing with the future involves seeing tomorrow's possibilities in the light of today's realities. Today is the gateway to tomorrow. Learn from the past, walk in accordance with His will and purpose in the present, and set the course for the future today. By God's grace, there will be HOPE for the future.
