The early church in Corinth was falling apart. Sin was rampant, divisions were growing, and the congregation was living no differently than the world around them. The church was infected with a view of life that focused on worldly glory, eloquent speech, human triumph and natural strength. Paul takes the church to task for taking on the character of the city instead of the character of Christ. To a church facing many problems, Paul writes of God's empowering grace and the need to embrace a life of godly wisdom and truth so that they could influence their world.

Broken. Blessed. The two words don't seem to go together. We all know what it means to be broken, to be shattered, to feel as if our entire world has fallen apart when we experience circumstances so shattering we wonder if it's even possible to pick up the pieces e.g. the tragic loss of a loved one, a debilitating illness, a broken relationship. Nothing feels blessed about being broken. But the good news is blessing can come in the wake of our being broken. God can reassemble the shards of your life into a wholeness that comes only from Him when you allow Him to.

**The Parables of  
Jesus**

**9 Jan - 27 Mar 2022  
11 weeks**

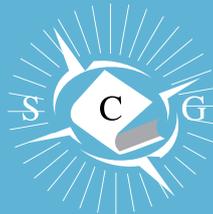

Jesus was the master of teaching in parables. A parable is a tale about a simple, common subject to illustrate a deeper, valuable spiritual lesson. They comprise a substantial part of the recorded preaching of Jesus. Jesus simplified profound spiritual truths in the form of relatable stories that were easy to understand, drawing His listeners into new ways of thinking, new attitudes and new ways of acting. It is the lesson of a parable that is important to us. Discover fresh insights into the parables of Jesus and their meanings to help you apply these spiritual lessons to your own life.
