**PSALMS 120-134:
SONGS OF ASCENT**
(Level 2)

28 April – 30 June
10 weeks

Possibly the most exquisite single group of psalms, this collection of 15 Psalms were traditionally sung by Hebrew pilgrims, who ascended the uphill road to Jerusalem to attend annual festivals in the Temple. God's people today may not make quite such a journey but in living the Christian life, we have all embarked on a pilgrimage of the heart. The life of faith is to be lived upward toward God, advancing from one level to another in deepening maturity through varying terrains but with a single destination – Home, where we will dwell with the Lord in His house forever.

HOSEA: GOD'S
RELENTLESS
LOVE
(Level 2)

16 April – 18 June
7 weeks

An adulterous woman repeatedly spurns the love of her youth. Her betrayed and grieving husband offers forgiveness and seeks to restore the intimacy of their first love. A bold imagery of the story of God and His people, unfaithful Israel. Bolder still and even more scandalous when God calls His prophet to illustrate this divine suffering and redeeming forgiveness in his own marriage. This remarkable yet heartbreaking story sets the stage for Hosea's harsh yet hopeful message of God's enduring love for a wayward people, His righteous judgement and relentless offer of reconciliation.

**IS CHURCH
MEMBERSHIP
NECESSARY?**
(General)

25 June – 16 July

Is church membership necessary? Must I commit myself to a local church? Is it even biblical or purely a man-made concept? These are common questions that plagued many churchgoers today in our contemporary culture that prioritizes individualism, autonomy and flexibility. This course seeks to establish a biblical case and perspective on church membership and its necessity for every believer by exploring what the New Testament portrays the Church to be, how it is supposed to function and best represent Jesus to a world that does not know Him.

WORTHY OF
PRAISE
(General)

25 June – 16 July
3 weeks

Sometimes what God has done in our lives is so completely worthy of praise that we just want to shout to the world His goodness in our lives. Some days, life is so hard that praise is the last thing on our mind. How is it even possible to rejoice, pray and give thanks in the face of tragedies, losses and senseless happenings? Praise is a choice. Focusing on the dark amplifies the darkness of our situation. But praise magnifies the light of God so we can see His face in the dark. It's time we reclaim the lost art of praise.

**THE BURDEN OF
BETTER: BREAKING

COMPARISON**
(General)

25 June – 16 July

Does the pursuit of “better” weigh you down? Most of us aren’t trying to be perfect. We’re just striving to be more and better, and the fear that we’re not enough - all measured by the sinister ruler of comparison. In an era of carefully curated social media images, non-stop selfies, and channels devoted to perfecting everything from our home to our dinner plate, comparison consumes us! And, chasing better becomes a burden! It weighs down our souls and prevents us from experiencing satisfaction or rest. Break free from the comparison trap and learn to live life joyfully according to how God designed you!

**Mandarin Class:
INSIGHTS ON
THE BOOK OF
HEBREWS**

**16 April – 16 July
10 weeks**

The book of Hebrews pictures Jesus as better than the angels, as bringing better lives to humanity through salvation, as offering a better hope than the Mosaic Law could promise, as a better sacrifice for our sins than a bull or a goat, and as providing a better inheritance in heaven for those who place their faith in Him. Jesus is indeed superior to all others. Hebrews clearly lays out the present priestly ministry of Christ in the life of the believer. Only when we give Jesus His rightful place in our lives will everything else in life fall into its rightful place.
