MALACHI...GIVING
GOD NOTHING
LESS THAN
OUR BEST
(Level 2)

20 Oct – 1 Dec
6 weeks

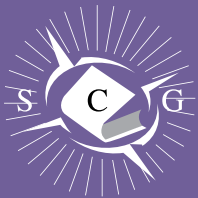

The last thing that God spoke to His people before the 400 years of silence that preceded the coming of Christ and the start of the New Testament timeline is recorded in the book of Malachi. The people during the time of the prophet Malachi lived by checklists, performing spiritual acts without the engagement of the heart. Unfaithful priests, half-hearted religion, blemished sacrifices – they had fallen short of their covenant with God. The same tendencies remain true today. Malachi's call to whole-hearted faith and worship is an apt reminder that God deserves our best, not our leftovers.

In what ways do you feel insufficient? Intimidated? Those places create the greatest opportunity to experience the sufficiency of God. Instead of ignoring or trying to escape your weaknesses, see them as gifts, given specifically and strategically by God to unlock the full experience of His strength in your life.

A BIBLICAL UNDERSTANDING OF THE END TIMES (Level 2)

15 Oct – 26 Nov
6 weeks

Are we living in the last days? What are the signs of the end-times? Will Christians go through the tribulation? Is the Anti-Christ already here? In seeking to understand the end-times, the tendency is to engage in speculative eschatology or split hairs over opposing views in interpreting Scriptural references in the book of Revelation. This course is intended to provide a biblical understanding of the chronological timeline of the end time events, from the rapture to the millennial kingdom and beyond so that we can prepare and make ourselves ready for Christ's imminent return.

Mandarin Class:
TRUSTING GOD
EVEN WHEN LIFE
HURTS
(General)

15 Oct – 26 Nov
6 weeks

Adversity is hard to endure, and can be even harder to understand. The trials and afflictions of life surround and overwhelm us. Where is God in all of this? How do we make sense of the pain and suffering that accompanies us in these dark times? What is our responsibility when things are hard?

Two things are certain: God works through adversity for our good and for His own glory. There is purpose to our pain and nothing happens without His loving hand to guide us through it all. In the process, we will come to see that we can trust God completely, even when life hurts.

**RESPECTABLE SINS:
CONFRONTING THE
SINS WE TOLERATE**

15 Oct – 26 Nov
6 weeks

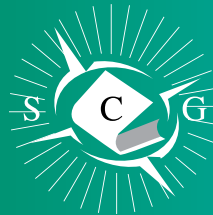

Whatever happened to sin? Have we become so preoccupied with the major sins of our society that we have lost sight of our need to deal with more subtle sins? Sin is a spiritual and moral malignancy. Left unchecked, it can spread and contaminate every area of our lives. This study addresses a dozen clusters of specific “acceptable” sins that we tend to tolerate in ourselves, such as jealousy, anger, pride, anxiety, greed and unthankfulness etc. It can be a good spotlight to shine on our own life, to see where we need the Holy Spirit’s help to combat our sinful nature and develop a deeper walk with God.
