

GET INVOLVED MAKING A FAITH PROMISE

A Faith Promise is a financial commitment made by faith that God will open a way for you, so that you will have enough to give. When we give with the right motive and by faith, God will not fail. The Bible says, “But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him (Hebrews 11: 6 NKJV).

It is a personal commitment that requires FAITH because it is anchored in what you can believe God for. Can you believe Him to meet your needs when you give out of what you have? Certainly! Can you believe Him to provide for what you do not have? Absolutely!

It is a PROMISE because of the agreement to provide a certain amount over a specific period of time as God provides. When God blesses us, we keep our promise by channelling the promised funds to the church to reach others. It is PERSONAL because it is a covenant between God and you.
